Greetings Friend!

June is here, and we have an exciting lineup of programs and events for you. As we near the opening of our **112th Annual Gold Medal Exhibition**, the CAC will be hosting Family Days starting June 11th at the Bowers Museum. Children and family members will have the opportunity to create works of art alongside our esteemed artist members. As the temperature rises, we invite you to cool down with our latest virtual exhibition, **Lazy Days of Summer** opening June 20th. We also have a number of exciting Paint/Sculpt-Outs planned for this month. We're thrilled to bring you these incredible opportunities to explore your creativity, connect with fellow artists, and celebrate the beauty of art. Mark your calendars, gather your art supplies, and join us for a month filled with artistic adventures.

Yours in art,

P.S. **Tickets are now on sale** for the Exhibition Preview & Artists' Gala for the *112th Annual Gold Medal Exhibition*, which will be held July 8 at the Bowers Museum. For event details or to purchase tickets, click [HERE](#).
